

Travelift Foreman Job Opening

We are seeking an Travelift Foreman to oversee the efficient and safe functioning of our marine facility. In this role, you will be responsible for a wide range of tasks, including but not limited to:

- Skillfully operating the Company's lifting equipment, such as a 250T Travelift, a 100T Travelift, yard mechanical equipment, jackstands, blocks, and associated tools. You'll prioritize safety and efficiency while using these assets and conduct routine maintenance. Additionally, you'll manage external maintenance contractors to ensure proper certification and suggest potential equipment enhancements.
- Ensuring proper hauling and blocking procedures for all vessels based on established marine standards. You will regularly inspect blocking and stands to guarantee secure positioning. Any irregularities will be documented to enhance operational knowledge and mitigate potential liabilities.
- Managing a team of Company employees, as assigned by the General Manager, to create schedules for Travelift operations and other yard tasks. Your effective coordination will be crucial to maintaining smooth workflow.
- Being available for extended hours during hurricane threats to accommodate increased demand for Travelift operations, contributing to the facility's preparedness and response efforts.
- Collaborating with customers when necessary to accurately record billable activities, offer estimates, generate invoices, and manage payments. You'll establish strong customer relationships and foster a welcoming environment for owners, captains, and crew members.
- Assisting in standardizing general Company operations and policies, including the development and implementation of operational training programs for staff members.
- Upholding Company policies related to employment, safety, environmental protection, security, and overall facility maintenance.

We are searching for a dedicated individual with a deep understanding of marine operations and a commitment to maintaining high standards of safety and efficiency. If you are skilled at managing both equipment and personnel, and have a passion for delivering exceptional customer service, we invite you to join our team as the Travelift Foreman for our marine facility.
