

## **Job Posting: Maintenance Mechanic (Part-Time/Full-Time)**

Indiantown Marine Center is currently hiring for the position of Maintenance Mechanic. This position can be part-time or full-time, depending on the candidate's availability and preference. We are seeking a skilled individual with expertise in equipment, electrical, and boatyard equipment maintenance to join our team.

### **Responsibilities:**

- Perform repair and maintenance services for all company mobile equipment, including boat hoists, forklifts, manlifts, telehandlers, trucks, tractors, generators, compressors, tugs, and construction equipment.
- Operate, maintain, and repair electrical distribution equipment such as shore power pedestals, power modules, transformers, shore power cords, extensions, and related components.
- Fabricate, operate, and maintain cooling equipment, including cooling towers, portable AC systems, and related machinery.
- Maintain and repair pressure washing and recycling systems, water distribution system components, and pump-out equipment.
- Adhere to company policies related to employment, safety, environmental protection, security, and overall facility maintenance.
- Collaborate with other employees to fulfill company operational requirements and assist with yard work as needed.
- Be available for extended hours during hurricane threats to support increased company operations.
- Interact with customers courteously to foster positive relationships and promote a friendly atmosphere.
- Assist management with general company operations, including facility cleaning and maintenance, landscaping, and special projects.
- Adhere to company operational policies and best practices, participate in safety and environmental training, and strive to enhance operational efficiency.

### **Qualifications:**

- Demonstrable experience and proficiency in mechanical, electrical, plumbing, and welding work.
- Possession of personal tools required for the position.
- Strong attention to detail and ability to work independently.
- Excellent communication and interpersonal skills.
- Ability to prioritize tasks and meet deadlines effectively.
- Willingness to undergo a background check and provide references.

### **Compensation:**

Hourly rate based on demonstrated skill and experience level.

### **Offered By:**

Dan Romence  
President  
Indiantown Marine Center

### **How to Apply:**

Interested candidates are invited to submit their resume and a cover letter detailing their relevant experience to [admin@indiantownmarinecenter.com](mailto:admin@indiantownmarinecenter.com)
